**Treasurers Report;**

**Business arising from minutes;** None

**General Business;**

1. Discussed container – 20ft It was agreed that it would be purchased as soon as the gravel base has been installed. Suggested that the gravel base be large enough for second similar container for Pony Club with an alley space between containers – this could be a covered storage at a later date.
2. Judges obtained for next comp – difficult as Hunter Valley took our date. All other arrangements underway for next comp.

Meeting closed at 12.15pm
